

Thank you for choosing Extreme Marquees!
So that we can begin the artwork design for your order, please complete the following form.

A comprehensive artwork brief will help you make the most of our creative expertise and will ensure that this part of the ordering process is as easy and straight forward as possible.

What we need to know...

Order Name/Number: _____

Order Due Date: _____

Artwork Files

We require your artwork Logos in Vector or PDF format. Photographs to be high resolution as TIF, JPG or PSD format. Please supply your files via email or WeTransfer.com.

Colours

We can colour match PMS colours. If your brand requires a specific Pantone colour please list below.

PMS/Pantone Code: _____

If you do not require a colour match you can reference a colour from your supplied artwork or select colours from our standard **colour chart**. If you have multiple colours you can reference these in the right section.

Background Fabric Colour: _____

Other Colour Information: _____

Typography

If you have a font or colour you would like to use please fill in the below. Alternatively our design team can suggest a font that will compliment your artwork.

Font Name: _____

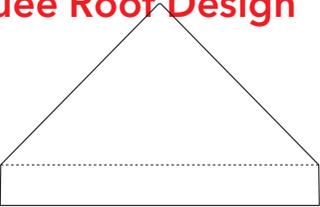

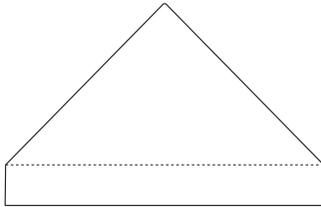

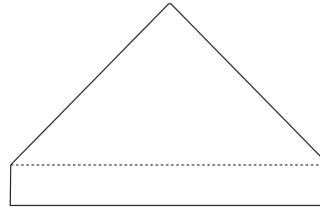

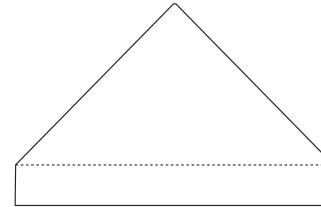

Font Colour: _____

Key

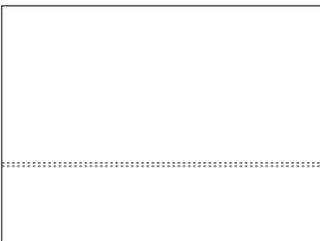

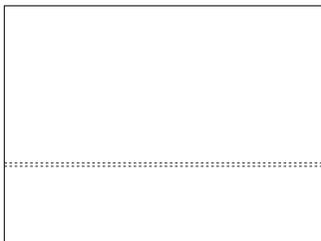

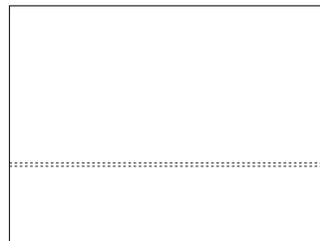

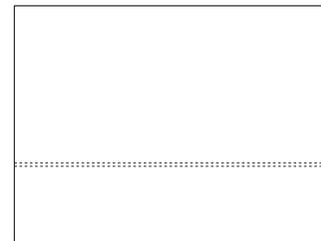

- Edge of panel
- Stitching line

Please use the below area to give instructions on artwork, images, text, placement etc. Use the information section to write details or you can draw in the artwork panels to indicate text, logo and image placement. Your order may not require you to fill in all sections below, please refer to your quote when completing the below.
